

JPanel

```
classDiagram
    class JPanel
    class frontend_SettingsPanel["frontend.SettingsPanel"]
    frontend_SettingsPanel --|> JPanel
```

The diagram illustrates a class hierarchy. At the top is a white rectangular box with a thin gray border containing the text 'JPanel'. Below it is a gray rectangular box with a thick black border containing the text 'frontend.SettingsPanel'. A solid blue arrow points vertically from the top center of the 'frontend.SettingsPanel' box to the bottom center of the 'JPanel' box, indicating that 'frontend.SettingsPanel' inherits from 'JPanel'.

frontend.SettingsPanel
