

JMenuBar

```
classDiagram
    class JMenuBar
    class frontend_MyMenuBar["frontend.MyMenuBar"]
    frontend_MyMenuBar --|> JMenuBar
```

The diagram illustrates a class inheritance relationship. At the top is a white rectangular box with a thin gray border containing the text "JMenuBar". Below it is a gray rectangular box with a thick black border containing the text "frontend.MyMenuBar". A solid blue arrow points vertically from the top center of the "frontend.MyMenuBar" box to the bottom center of the "JMenuBar" box, indicating that "frontend.MyMenuBar" inherits from "JMenuBar".

frontend.MyMenuBar
